Porthacourt, Nigeria • 07082602723 • frankpraise067@gmail.com

PROFESSIONAL PROFILE

Motivated and creative aspiring Graphic Designer with a strong interest in visual communication, branding, and digital design. Eager to develop professional design experience, learn from experienced teams, and create clean, effective visual content for brands and businesses.

EDUCATION

Nigeria Navy Secondary School — Secondary School Education

2021 – 2026 | WAEC

CORE SKILL • Graphic design and visual creativity

- Logo and brand design
- Typography and layout
- Social media graphic design
- T-shirt and apparel design
- Attention to detail
- Creative problem-solving
- Willingness to learn and improve

DESIGN PROJECTS

Personal Graphic Design Projects

Created and developed personal design concepts focused on branding, apparel, social-media visuals, and creative communication. These projects have helped build practical design skills and an understanding of how visual ideas can be presented professionally.

CAREER OBJECTIVE

To begin a career in graphic design where I can apply my creativity, build professional experience, continue learning modern design techniques, and contribute useful visual ideas to a creative team or business.
